## **As Good As New**

Nestled in a premium cul de sac surrounded by beautiful homes on a comfortable 633 square metre parcel of land sits this impressive 4 bedroom 2 bathroom family home.

Fully renovated inside and out the list of improvements is impressive and means the lucky new owners have nothing left to do except move in and enjoy.

There is a brand-new kitchen and a brand-new bathroom and a brand new ensuite all with craftsman-like finishes from quality local trades.

The Laundry has been finished to match the bathrooms and there are two light filled living areas which are a must for the growing family.

You will be comfortable all year round with the split system air conditioning, but the kids will probably be outside enjoying the freshly turfed backyard and swimming in the inground pebblecrete pool.

There is car accommodation for two cars as well as a small workshop and don't forget the roof has been fully restored and all the gutters and downpipes have been replaced.

Located only a short walk to schools, shops and sporting fields and only a short drive to Marsden park shopping and the M2 and M7 for transit, this home has to be seen to be believed.
