Step Up To Lovely Family Living In Desirable Setting

Tucked away within Fletcher's sought-after Sanctuary Estate, this gorgeous four-bedroom home creates an inviting retreat, ideally suited to modern family living.

Feeling fresh, bright and welcoming throughout, the home reveals a carefully considered floorplan featuring two separate living spaces. Up front, there is a comfortable lounge room, while at the heart of things, open-plan living impresses with seamless interaction with the smartly presented kitchen.

This lovely, light-filled space creates further appeal with its natural flow outdoors, where keen entertainers will be happy to find a relaxed alfresco, framed by a grassy, fully fenced yard.

A big tick for kids and pets, this outdoor space also provides the potential for more, should you perhaps be thinking of adding a pool (STCA). Carpeted and airy, four bedrooms create generous sleep space, made up of three with built-in robes, and a master with walk-in robe and ensuite.

As for location, it's a short stroll to the nearby kids' playground, and moments by car to schools and shops.
