The property is a brand new built 3 bedroom (easily converted to 4 bedroom) brick veneer home with plenty of street appeal, high 2700mm ceilings and double garage set on a large 4001sqm allotment in the popular country township of Wasleys. The home features a large dream kitchen with dishwasher, plenty of cupboards, and bench space which overlooks the large dining room and with the big windows at the rear offering a great view over the rear yard. A big feature is the large butlers pantry with its own bench space and loads of storage shelves and direct access to the double garage for ease of unloading the groceries. There is a separate lounge room which could be converted to a 4th bedroom and a family room. The master bedroom is large and has a big walk in robe and a big ultra modern ensuite and the other two bedrooms are double sized and both have built in robes. There is a sparkling 3 way bathroom, a laundry, large linen cupboards in the hallway and year round comfort is provided by ducted reverse cycle air conditioning. Energy efficiency is aided with insulation to the external walls and ceiling and there is a 6.6kw solar electric system to reduce those electricity bills. The rear yard is a blank canvas and offers room for a shed, pool, fruit trees and vegetable gardens and there is room to kick the footy. Wasleys offers quiet country living only a short drive to Gawler. This stunning new home is move in ready and saves all the hassles and time frame in building, just move straight in and enjoy the best of country living.
