Love The Light, See The Sights

See the city and watch the water from this substantial family home and its generous 802m² allotment, superbly situated on one of Howrah's most sought-after streets to make the most of Howrah's acknowledged lifestyle advantages.

Howrah Beach, Howrah Primary School, parks, community facilities, Shoreline Plaza Shopping Centre and Clarence High School are all readily reached from a property that is a perfectly preserved product of its era, offering immediate present day enjoyment and tempting scope to update its traditional spaces when the mood or the moment arrives.

The enduring appeal of bright, impeccably maintained proportions is evident throughout a design that features elevated living, dining and lounge room zones that capture lots of light and offer sweeping sights across the River Derwent to Hobart CBD and majestic Mount Wellington.

An open-plan kitchen that remains entirely capable of meeting current day needs complements the living areas while two similarly immaculate original bathrooms serve four classically comfortable double bedrooms. Below, a rumpus room of impressive dimensions conveys its own sense of character and confirms the family credentials of a home that's completed by a flexible workshop.

Two fireplaces, a separate laundry with convenient clothes shoot, garage parking for two cars, established gardens and additional driveway parking contribute further quality to an address of significant past, present and future appeal where the land size and the location ensure ongoing lifestyle success.

For further information or to arrange an inspection, contact Alyce on 0499 082 614 or Brianna on 0403 724 434.
