Low Maintenance and Views

This lovely well maintained 3 bedroom home has mesmerizing views overlooking Bacchus Marsh.

The open and light filled kitchen is overlooking and adjoining a meals area and the lounge room, and has been completed with stainless steel appliances including a dishwasher.

Comprising a master bedroom with a walk in robe and full ensuite, the remaining good sized bedrooms all feature built in robes.

Centrally located main bathroom features a separate shower and a bathtub, while the European style laundry is nicely tucked away.

For all year round comfort you have the added bonus of gas ducted heating throughout and reverse cycle split system cooling.

Externally you will find low maintenance front and backyards and a double remote controlled garage with internal access.
