## **STAND OUT FROM THE REST!!**

As your local experts and the area's largest, most awarded agency with over 80 years combined experience, we are honoured to introduce this property to you.

A true 6 bedroom home which has only ever been a builders display and is now ready for new owners.

Never lived in, this tri-level masterpiece has all the extras you would expect and enough space for multiple families. Great sized bedrooms, formal and informal living plus rumpus for the kids.

All the inclusions you could possibly want from a display home and the quality you have been looking for. Built opposite bushland and on a corner block that gives great access to the back yard.

Stunning timber laminate flooring, feature timber stairs, spectacular raked ceilings, the list is endless!! Flooded with natural light filtered by the shutters the floorplan is just so practical and everything just flows beautifully.

Enough from me, you just need to get along for a look yourself to see what all the fuss is about!!

Cameron Park is one of the fastest growing suburbs in Lake Macquarie with several land releases and a wide array of modern brick homes to choose from. It is very family focused with many buyers moving to the area due to homes being great value for money. With infrastructure increasing there is allocated land for a new shopping centre, school and tavern.
