Home Is Where The Heart Is...

Classic period charm infuses effortlessly throughout this charmer, which has the right amount of space inside and outside for those starting out or downsizing, on this easy-care block with a rare inner city find, a side driveway and ample off street parking options.

Behind the romantic facade and via the classic verandah entrance, you will be graced with a welcoming hallway and warm polished floorboards throughout, which leads you through a free-flowing layout that features: 3 bedrooms, central family bathroom and thoughtfully planned kitchen that oversees the open plan living zone which perfectly connects to further entertaining options outdoors.

Timeless elegance has been retained with decorative ceilings, lead lighting, wide cornices & skirting boards, picture rails, open fireplace and with the added comforts of today's essentials of ducted heating, evaporative cooling, 2 toilets, separate laundry, dishwasher and gas cooking.

Set in a blue-chip family friendly location, where you can conveniently hop on Tram Route 86 into the CBD, explore a diverse variety of culinary options, indulge your passion for all things wellness related, within moments from your front door.
