Perched high in Huntington Estate, this sunlit residence boasts an enviable hillside location, providing ample space for the entire family in a tranquil cul-de-sac setting. Enjoy summer breezes and stunning sunsets from the deck, poolside, or while practicing your putting on the backyard green. The upper level features three expansive living areas with elegant spotted gum flooring, centered around a U-shaped kitchen ideal for entertaining. Flowing seamlessly to the deck and BBQ area, this space captures the essence of relaxed living. Five generous bedrooms include two with en-suite and walk-in robes, and three with built-in robes, ensuring ample accommodation for extended family or guests. This family haven caters to all ages, fostering both togetherness and quiet moments for personal relaxation. This home also boasts the opportunity for a work from home situation with separate entrance and toilet. Key features include:

- Entertainer's U-shaped kitchen opening to family room and outdoor deck
- Two large main bedrooms with en-suite and walk-in robe (downstairs en-suite includes bath)
- Three queen-sized bedrooms with built-in robes
- Separate lounge and dining rooms
- Kitchen equipped with water filter and chiller
- Air conditioning and remote-controlled fans throughout
- Saltwater pool with solar heating
- Separate Office
- Parking for four vehicles with double garage and two open air spaces
- Solar panels
- Fully screened windows
- Grey water tank
