**\$599,000 plus**

Calling all developers to inspect this 1007sqm block zoned R100. This property currently has the original circa 1935 house with 3 bedrooms and 1 bathroom as well as multiple sheds. The main shed has power, water and gas connected. With a 36.37m frontage and R100 zoning, this property has the potential for a multistorey development STSA. Located between Morrison Road & Great Eastern Hwy, the location of this property is close to public transport, shops and local schools. For more information contact Richard Lowenhoff or Laura Savage today from Ray White Midland & Hills.
