Your new home awaits. Sitting in the popular Featherton Rise Estate is this wonderfully designed family home. As you pull into your drive you really stand out from the street, with the sloping roof that adds that touch of difference. When you walk through the front door you are welcomed by the long open and bright hallway that leads you to the heart of the home - the kitchen. The kitchen is a bright and modern design that is practical for all of the family. Your master bedroom with ensuite and WIR is at the front of the house and your three remaining bedrooms with BIRs are at the rear of the home. With two living areas there is plenty of room for all. For year round comfort this home has evaporative cooling and ducted heating.
