## Quality Over Quantity: A Master-Built Home That Stands Apart

For the discerning buyer who values craftsmanship and style, this exquisite Manners Building & Carpentry home built in 2021 offers 3-bedroom, 2-bathroom is a rare find. Every inch of this property reflects thoughtful design and premium finishes, ensuring a living experience that is both luxurious and practical.

Step into an oversized double garage, where space is abundant, accommodating two large vehicles with ease, while still allowing for comfortable maneuverability. The extra-wide hallway offers seamless access to all areas of the home, including three generously sized bedrooms. The master suite is a true retreat, featuring a large ensuite and a spacious walk-in robe. The main bathroom, with its elegant floor-to-ceiling tiling, complements the home's commitment to quality.

The heart of the home is the open-plan living area, where the kitchen impresses with top-of-the-line appliances, stone benchtops, and plenty of storage in well-placed, easy-access drawers. Adjacent, the expansive dining and family areas provide a warm and inviting space for everyday living, seamlessly extending to a full-length verandah. This massive outdoor living area is perfect for hosting gatherings with family and friends, embodying the home's spirit of effortless entertaining.

Additional features include high ceilings, fully ducted reverse-cycle air conditioning, solar system, low-maintenance grounds, and convenient side access to the rear yard. This stylish, lock-up-and-leave home is ideal for those who prioritize quality over quantity and seek a residence that offers both sophistication and ease.

Don't miss this opportunity to own a home where every detail has been meticulously crafted to exceed your expectations.
