SPECTACULAR

This gorgeous property is without doubt the most spectacular property I have ever had the pleasure of listing. Everything in and around it is pure class, from the high ceilings to the wooden flooring it all exudes elegance. The magnificent kitchen with butler's pantry opens onto the extensive open plan living area which along with the rest of the house is serviced by ducted reverse cycle air con.

The master bedroom is huge and boasts a large WIR and spacious bathroom complete with spa bath. The other three bedrooms all have BIR and can easily accommodate a queen size bed. The second bathroom has separate loo and vanity so there are no queues at bedtime.

A tiered level theatre room ensures that everyone has full views of the tv or also makes a great kids playroom. The office is at the front of the property so would be ideal if you work from home.

The patio is fully enclosed and features a kitchen that has the lot, gas hot plates, oven, sink etc making it the ideal entertaining area.

The massive shed can be accessed via the electric side gate and has extra high roller doors, and also has a loo and shower. No problem here parking the caravan or boat.
