Experience a new level of easy living with this stunning home located on Spring Street. This classic Queenslander residence not only boasts a charming white picket fence and timeless design but also integrates modern upgrades that are sure to captivate. Step inside to find a grand entrance adorned with polished timber floors and lofty ceilings, setting the stage for a welcoming ambiance that resonates throughout. The home features three generously sized bedrooms, complemented by a versatile fourth room perfect for use as an office or nursery, catering to your family's evolving needs. A distinctive feature of this property is its rarity: a high-set layout complete with two bathrooms, the largest being an exquisite ensuite. Imagine indulging in the luxury of a spacious walk-in shower, a double vanity, and ample storage space, ensuring both convenience and comfort. The kitchen is a focal point, boasting a stunning stone island bench and countertops that exude sophistication and functionality, making it a delight for culinary enthusiasts and entertainers alike. Outside, a sprawling deck extends the full width of the house, promising endless opportunities for outdoor entertaining and leisure. The simple yet tastefully landscaped yards require minimal upkeep, allowing you to relax and enjoy your surroundings without the hassle. For those who value storage, this property delivers with a fully lockable downstairs area offering ample space for vehicles, trailers, and cherished belongings. Nestled in a highly convenient location known for its accessibility to amenities, this home is poised to attract discerning buyers seeking both comfort and practicality. With its blend of classic charm and modern conveniences, this Spring Street gem is not to be missed. We look forward to welcoming you to explore all that this exceptional property has to offer this weekend.
