Spacious Contemporary Luxury on 819m² (Approx.)

Enviably situated in a peaceful pocket of Gisborne, this exquisite modern build exudes contemporary style, boasting ample, thoughtfully laid out living spaces and spacious accommodation. Situated on a generous 819m² (approx.) allotment, this tasteful and elegant family home offers sensational convenience in a premium location.

A grand entry showcasing 3.7m high ceilings and a graceful circle light chandelier evokes a sense of spectacle and enticement, with the flexible layout incorporating multiple living areas including luxurious open plan kitchen, living and dining areas, a home theatre, and expansive grand alfresco featuring inbuilt gabion servery areas, extending to a decked area with external awning.

The magnificent chef's kitchen is simply captivating, flaunting 4cm thick stone benchtops including to the island breakfast bar, stunning sage green kit-kat gloss tiles to the splashback, soft close drawers, and premium ASKO appliances including double ovens with an ASKO combi steam oven, and a dishwasher. A barnyard door opens to a full butler's pantry with twin sinks, remarkable storage, and bench space.

Gorgeous plush carpet exemplifies the luxury of all four bedrooms, each with extraordinary proportions. The main suite features an ample walk-in robe and ensuite, providing a sense of privacy with the remaining bedrooms situated in their own wing. All king sized and fitted with built-in robes, a kid's zone is interspaced between the three bedrooms providing plentiful space for games and activities, while a study is placed to the front of the home.

Aesthetics are stylish and sophisticated, with the main bathroom, ensuite, and powder room all featuring stone-topped vanities. A neutral colour scheme throughout utilises natural light to inform the interplay of forms and spaces, with white plantation shutters and bamboo flooring evoking elegance and opulence.

Splendour continues to the meticulously landscaped grounds with a fenced rear yard including a decked seating area to the lawn. There is plentiful parking for multiple vehicles provided by a remote controlled double garage with internal access, plus a gated side pebbled driveway with ample space for off-street parking for a caravan or boat, leading to a large concreted powered shed with a roller door, mezzanine, and utility area.

Surrounded by the spectacular natural beauty of the Macedon Ranges, in close proximity to local schools, shops, sporting facilities, and excellent freeway, this premium offering also includes ducted heating, evaporative cooling, a solar panel array, large laundry, privacy blinds/sheers, and a walk-in storage room. The height of comfort and easy sophistication!
