Tucked away in the heart of Windsor, this Victorian gem offers an ideal blend of serenity, lifestyle and potential. Just a short stroll to Chapel Street, a home for now and the future. It has a compelling combination of period features including lace trimmed verandah, high ceilings and central arched hall. Two spacious bedrooms are filled with natural light and both have ornate fireplaces. Sleek and stylish central bathroom includes laundry facilities. The contemporary family living zone is filled with abundant light and incorporates an open-plan kitchen with breakfast bar, split system heating & cooling, stainless steel appliances, gas cooktop and ample cupboard space. A bank of glass doors opens out from the living and meals area to the courtyard garden. Sheltered and private, the east facing courtyard is made for year round indoor-outdoor entertainment. Just a short walk to Chapel Street restaurants, bars, cafes, close to public transport and Prahran and Windsor stations.
