2 Westbury Street is a pretty-as-a-picture Queenslander sitting in an elevated Kelvin Grove location close to QUT and the Kelvin Grove Urban Village, Brisbane Grammar Schools, Roma Street Parklands and with ideal access straight to the city. Inside, the home has been well-maintained by the current owners and includes character features such as hoop pine timber floorboards, original VJ walls, breezeways and an original brick fireplace. You'll also find three good-sized bedrooms with built-in-wardrobes and two separate bathrooms for family convenience. The light and airy modern kitchen was only renovated earlier this year and features an electric cooktop, a Westinghouse oven and pristine cabinetry. The kitchen leads on to both the open plan living and dining area and out to the private 38sqm deck, with its feature bamboo wall and water feature making it the perfect spot to relax or entertain. Downstairs you will find ample storage space and a wonderful multipurpose room that functions as an office/gym. Other features of this charming property include solar panels, secure parking for 2 cars, split-system air-conditioning, a new Rinnai Hotflo water system that was installed earlier this year and recent internal and external painting. Close to celebrated local cafes and restaurants, public transport, Kelvin Grove College and Brisbane Grammar School, and only a stone's throw from the city itself - 2 Westbury Street is an outstanding home in a convenient location.
