\$499,000 Plus

Modest 1940s fibro & tile home that is situated within a 5 minute walk into the commercial precinct of Midland which is set on a R60 Zoned 657m² block with a long term tenant in place as well. . 2 bedroom + sleepout. Timber floors - air conditioning. Good fencing. spacious workshop. Future development site Here is good opportunity to invest in this rapidly changing area with properties like these going out like wild fire at the moment, this property serves as good prospect for development down the track with the home being in good condition for its age but will eventually be bowled over to accommodate multiple units.
