A beautiful 4-bedroom home with 2 bathrooms and 2 living areas, situated on a 560m² parcel of land. This property is not only perfectly situated in one of the most sort-after streets in Tatura, but also close to everything one would need, from the local shops, primary schools, and town amenities to a short 15-minute commute to Shepparton.

Located in the centre of the Tatura sporting precinct, this spacious home presents ease of living for a large or growing family to move straight into without anything left to do.

Boasting a fantastic floorplan, including a second living area in the heart of the home this property has endless options!

An open kitchen and dining area which wraps around into the living room and houses a romantic gas log heater for cosy nights watching the TV. This entire area is certainly a space which a family would enjoy with loads of room to spend hours in together. Beautiful, lush carpet throughout the living area which leads into floorboards throughout the rest of the space. All the little things have been well taken care of and beautifully maintained. The kitchen has all the cupboard space you could ask for along with a built-in pantry, dishwasher, electric oven, and more bench space than you will ever require.

From the kitchen you have the view looking out over the undercover entertaining area, which will all transform in the warmer months, and can already see a beautiful grapevine or wisteria growing over the lattice feature above.

Master bedroom includes a WIR and ensuite with a gorgeous bay window looking out over the side street. Additional 3 bedrooms all house BIR's with mirrored sliding doors, fans and positioned perfectly allowing all the natural light in, all bedrooms are carpeted with beautiful big windows.

Main bathroom central to the home with a floating basin, shower + bath. Laundry with great bench space and storage, along with a linen press in the hallway. Laundry has a separate toilet to the side also.

The back yard has a great little 3m x 5m shed including power and concrete floor and raised garden beds planted out with an extra boxed in area which will be the perfect spot for the playground to go. All securely fenced in with a lovely, gated brick feature wall allowing back yard entry from the undercover car parking space.

Special Features:

- * Ducted Gas Floor Heating
- * Split System
