At the end of a sought-after cul-de-sac of substantial family homes, discover the fabulous space and sensational surrounds of this impressive residence. Offering room for the largest families to spread out and relax, the appeal of the freshly painted & carpeted home is further bolstered by an address in the coveted McKinnon Secondary College zone. Beyond an auto-gated driveway, the light-filled accommodation unfolds past a formal living and dining area (Heat n Glo fireplace) to the rear entertaining zone. Boasting multiple windows capturing leafy outlooks, this space flows into the large granite kitchen boasting a generous walk-in pantry and casual breakfast bar, while out in the tiered garden there are a choice of patios, built-in pizza oven and sparkling fully-tiled pool & spa. A ground-floor study with a nearby bathroom could be an accessible bedroom if needed, - upstairs are five more bedrooms all of which are ample doubles, the master of sensational proportions and boasting an oversized spa ensuite. All bedrooms benefit from built-in wardrobing, while a sun-filled retreat with balcony, a family bathroom and a full laundry leading out to the yard are also on offer. Ducted heating/cooling/vacuum and multiple split systems, generous storage both indoors & out plus a double auto garage conclude the supersized family package. Within a stroll of bus stops and close to a choice of stations, this quiet location is near Duncan MacKinnon Reserve & Packer Park as well as cafes & shops. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
