4-Bedroom Family Home with Extensive Storage

Discover the ideal family living space in this delightful 4-bedroom block home, located on a generous 1894 sqm block with the unique feature of rear access via a dirt road. Tailored for families or investors seeking a blend of privacy and accessibility, this property is a gem waiting to be claimed.

The heart of this home is the large lounge room, dining room and spacious U-shaped kitchen, equipped with ample bench space for efficient meal prep and entertaining. The kitchen's layout ensures that everything you need is within reach while offering a sociable configuration for hosting guests or managing family meals.

Bathroom is complete with a linen cupboard, vanity, and step-in shower, the home also features a separate toilet and an internal laundry for added convenience.

Three of the four bedrooms feature built-in wardrobes, providing excellent storage solutions that help keep the home organized and clutter-free.

The home is a combination of tiles and carpets through out the property. 20 King Street is equipped with cooling options including split systems, box air-conditioners, and ceiling fans, catering to comfort throughout the seasons.

Outdoor living is equally inviting with a fully fenced yard, making it safe for children and pets to play. The undercover back patio offers a peaceful retreat for outdoor dining or simply enjoying the surroundings of your new home.

Vehicle and equipment storage is abundant, with a 2-bay garage and a 4-bay shed in the backyard, plus additional carport space providing secure and versatile options for all your storage needs.

This property not only meets the practical needs of a modern family but also offers the potential to turn this house into a home.

Don't miss out on this opportunity to create lasting memories in a space designed for living well.
