Nestled in the foothills of the Blackall Range, you'll find a hinterland town with a whole lot of charm. Nambour was once known for its sugar mill, with purpose-built tram tracks transporting the sweet commodity through the town's centre. Today the historic tracks are being restored to their former glory paying homage to the region's past, but there's plenty of other reasons to add Nambour to your Sunshine Coast bucket list. The town is known for its artistic flair and talented creatives. Here visitors can follow the street art trail, or stop into one of the many retro, vintage fashion or record stores in town. This is your opportunity to call Nambour home! Some features we love • Air conditioning to the lounge room & master bedroom • Ceiling fans & security screens throughout • Refreshed kitchens and bathroom • 5KW solar • Large undercover carport & storage • Front deck with a lovely northern aspect • Park and playground in the street • Backs onto Nambour Christian College • Fully fenced 600m² block • Large double gates for side access • Tenants to pay for water usage • Pet considered
