The perfect RENOVATOR or NEW HOME SITE! Positioned on a beautifully quiet street within short walking distance of parks, Craigslea and Aspley primary and high schools, City Express bus, shops and hospitals, this property offers an exceptional location and incredible opportunity! The elevated 663m2sqm block offers the perfect site for your new dream home, OR an amazing RENOVATION opportunity rarely seen in this area.

There is incredible scope to renovate the home and transform it into your dream home, or simply demolish and build your new home – the choice is yours! But please make no mistake – this project is ONLY for SERIOUS renovators or those happy to do plenty of work! It will require more than just paint and carpet!

The existing split level brick and tile home would have been constructed in the 1960's and provides a practical and very functional floorplan which includes 3 bedrooms, 1 bathroom, spacious living and dining, and kitchen. There is also a separate internal laundry and a double garage with internal access.

The location is approximately 12km from the Brisbane CBD and provides easy access to the Sunshine and Gold Coast motorways and Brisbane Airport. Situated within a sought after and central position with great public transport options, walking distance to parkland, Prince Charles and St Vincent's Hospitals, quality schools, child care centres, and the extended Westfield Chermside shopping, dining and entertainment precinct, there really is so much to love here.
