Offers over \$735,000 considered

Located in one of Dorrigo's most desirable streets overlooking the surrounding countryside to the east, is this beautiful master built contemporary home. The home features four bedrooms, two bathrooms including ensuite and walk-in robe in the master suite, a well-equipped electric kitchen with quality appliances and views, formal living and dining rooms together with a separate sunroom. The property is complete with double lock-up garage with remote controlled doors and generous storage / workshop area. Other features include reverse cycle air-conditioning, LED lights throughout. 3 KVA back-up generator wired into home in the event of blackouts, Vitron inverter charger and security cameras monitoring the home. The home is located on an 800sq metre parcel of level established lawns and gardens and boasts a lovely open light and airy feel due to the excellent north eastly aspect. Having been lovingly cared for and meticulously maintained since being built by the current owners 18 years ago, the time has now come to downsize, creating a wonderful opportunity for those seeking a top end Dorrigo home to take advantage of this unique opportunity. Vendors are seeking a quick sale with offers over \$735,000 considered.
