Exquisite Single-Level Home in Sought-After Kellyville

Welcome to this stunning single-level home, freshly renovated and ideally situated in the highly desirable Kellyville area. Seamlessly blending convenience and comfort, this property is nestled amidst local schools, parklands, and easily accessible public transport. The vibrant Village shopping precinct is just moments away, ensuring all your daily needs are within easy reach.

This property exudes contemporary yet timeless refinement and practicality.

Enjoy the fresh ambiance created by newly installed carpets, blinds, and polished floorboards throughout. The heart of the home features a sleek, contemporary kitchen that anchors the open-plan living and dining areas, perfect for entertaining guests or enjoying family time. Experience ultimate comfort with ducted air conditioning and underfloor heating, creating a cozy atmosphere for gatherings inside. The highlight of outdoor living is the expansive, enclosable alfresco entertaining deck, where you can host gatherings rain or shine, seamlessly extending your living space into the outdoors.

The main residence boasts four bedrooms, including a master bedroom with an ensuite, ensuring ample space and privacy for the entire family. A well-maintained central bathroom serves the remaining bedrooms.

A unique feature of this property is the freestanding two-room retreat, offering versatility as an ideal space for guests, teenagers, or a home office. This addition provides flexibility and privacy, a rare find in the current market.
