\$565,000

Held in the same family for many years, this well built brick veneer is located in one of Lithgow's most sought after central residential estates. The conventional floor plan features 3 bedrooms, open plan living area with gas heater and split system A/C, original kitchen and bathroom and a good sized rear sunroom. There is front access to an attached single garage and the rear yard is fully fenced. Plenty of potential to renovate here with fantastic security provided in excellent supporting values.
