Welcome to 202 Hume Street, a stunning brick veneer family home that offers modern features, large space and functionality. Situated on a generous 1093sqm allotment, this impressive house boasts five bedrooms, including a master bedroom with a walk in robe, ensuite and ceiling fan whilst the additional second family bathroom has a shower, bath and vanity.

The home is complimented with two living areas that will make the ideal kids retreat or ample space for the whole family to enjoy. The kitchen is a highlight feature, equipped with a new Bellini gas cooktop/electric oven, dishwasher and double door fridge space. Heating/Cooling is no hassle with ducted evaporative cooling and split system ensuring year round comfort. The additional four bedrooms will tick all the boxes, with three of the rooms having ceiling fans & built in robes whilst the remaining bedroom will have the western sun in the afternoons.

Step outside to the expansive decked pergola, perfect for outdoor dining and gatherings with its built in kitchen and ceiling fan. The warmer months will be a hit with the inground salt chlorinated swimming pool with a large shade sail whilst the fully fenced backyard also has rear lane access making it easier for storing additional vehicles, caravan or boat.

Additional features: Brand new flooring including wool/nylon carpet, hallway cupboard storage, spacious renovated laundry with cupboards and bench spacing, solar panels, roller blinds, powered bungalow and double carport with additional shed that has concrete floor and power.
