Heart of Ivanhoe - Ducted heating and big bedrooms with a massive driveway!

Well proportioned house set a long way from the street with a lovely façade and the delight of a 'U' shape driveway so there is never a need to reverse out of the driveway and there is a spot for guests to park when visiting.

Large master bedroom fir with an electric roller shutter and complimented by two good sized bedrooms with built in robes. Not one but 2 central bathrooms and a good size block with an updated kitchen and dishwasher.

Summer kitchen at the rear and a tidy rear yard with under house storage
