\$1,650,000 - \$1,750,000

You've likely driven past this captivating property, admired its architectural beauty, and even captured it in photos. Now, the opportunity has arisen for you to purchase it and make it into your very own dream home. In today's challenging real estate environment, securing a property in close proximity to your desires is a rarity, with substantial industry-wide building cost increases. This exquisite property has been impeccably designed and brought to life by Jay Wright Builders, showcasing architectural sophistication and meticulous attention to detail. The exterior façade harmoniously melds timeless charm with contemporary flair, while the interior reveals an impeccably designed, modern living space. The unique floor plan boasts three expansive bedrooms offering ample storage, luxurious ensuites, and a discreetly integrated office and living area. The expansive family room is a sanctuary like no other, featuring awe-inspiring views, a charming pizza oven, and the option to create separate zones within the home. Indulge in the opulence of the kitchen, dining, and living areas, promising an exquisite living experience. Complemented by low-maintenance gardens, secure gated access, and effortless access to the vibrant city amenities including theaters, cafes, top-tier dining, schools, shopping, and entertainment. Additionally, the property is just a leisurely 10-minute stroll away from the train station. If you're committed to embracing the finest, 203 Franklin Street, Traralgon, is undoubtedly the property worthy of your consideration.
