Complete with views and a pool

Step inside and you will soon discover why this spectacular home has been tightly held for over twenty years. Boasting sensational indoor and outdoor living spaces with incredible mountain views, a pool and a premium position in one of Wanniasa's most desirable streets, it is a property that cannot be matched.

Spacious and light filled interiors are spread over a split-level design that takes advantage of lovely views and offers plenty of opportunity for family living. As you enter the home, you are welcomed by the kitchen and dining area. The master and ensuite are also on this level, with access to a lovely private deck that provides a stunning outlook. The remaining two bedrooms, family bathroom and generous study can be found upstairs.

The spacious lounge includes shelving and a cosy, slow combustion fireplace to keep you comfortable throughout the cooler months. Reverse cycle units in the lounge room, study and upstairs bedroom will keep your family comfortable year-round.

Step effortlessly out of the lounge room onto the gorgeous entertaining deck or through to the private garden room, adorned with windows, ideal for enjoying the winter sun. The deck is a private oasis with vine covered railings. Partially protected by a covered pergola and with leafy vistas, it maximises privacy without forsaking the spectacular mountain views.

Descend into the garden to find the fabulous saltwater pool, surrounded by paved entertaining space, and through to the generous lower garden with thoughtful, natural landscaping with very little maintenance required. There are plenty of established shade trees, and ample space for further development should you choose to plant veggies, build a cubbyhouse or create the ultimate kids playground.
