Located on a corner lot with side street access, this impressive and well-maintained weatherboard home is packed with features including high ceilings, sash style windows and polished timber floors in the lounge. Offering four bedrooms, one of which is ideal as a study. The central bathroom includes a new toilet and shower. The spacious lounge is equipped with a split system, ceiling fan, and wood heater. The roomy kitchen boasts an induction cooktop, a walk-in pantry, and a dining area. The north facing rear yard is a sun trap and has plenty of room for the vegie garden. The double lock up remote garage offers plenty of space for cars and a workshop. Only a short walk to recreational reserves and main shopping strip. Inspection by appointment only.
