A TIDY HOME WITH SOLID BONES

This exclusive home is new to the market and perfect for any family.

With most of the hard work done, this three bedroom hardwood timber home is situated in a quiet location within walking distance of all shops and schools. The house has beautiful polished floor boards throughout, with new vinyl in the bathroom, laundry and second toilet room.

Two of the three bedrooms feature built-ins and ceiling fans, while the main bedroom and the third bedroom both have brand new air-con units.

The third bedroom is huge and can very comfortably fit two queen size beds at either end - it has the potential to be split into a fourth bedroom for those who need that extra space.

The open plan kitchen/dining area is modern with loads of cupboard space and a new upright electric stove.

Light filters easily into the loungeroom providing a comfortable space for the family to spend quality time together. It also has a brand new large air-con unit and ceiling fan for added comfort.

In the bathroom you will find a brand new toilet with a shower over the bathtub - perfect for soaking in after a long day.

Extra features you will love are:

- Office to the front of the house
- Front veranda
- Security screens on windows and doors
- Fully fenced yard on 1/4 acre
- Freshly painted inside on majority of the house
- Internal Laundry with second separate toilet
- Hardwood lockable two bay shed
- Brand new Tank with tap

The current owner has put a lot of work into this home with new plumbing, new lights and electrical work, levelling of hardwood stumps, restoration of the roof, fresh paint on the outside, new ceiling fans, new toilets and so much more!!
