Set on approx. 6.8 acres (over 3 acres cleared & usable) including sheds & a dam, this private oasis is ready for you to plant, grow & enjoy. With room for animals & orchards, & few visible neighbours, the peace & serenity here is amazing...The liveable shed has an air-conditioned, open plan living area & bedroom, with a charming country-kitchen including gas cooktop, oven & dishwasher, while the bathroom has a clawfoot bathtub. The undercover front & rear patio areas enjoy views over the dam, orchard & creek boundary beyond. A second 3-bay shed provides ample parking for vehicles & equipment.
