A masterpiece is one of the only ways to describe 211 Highlander Drive, Craigieburn! One of the finest homes built with the best quality fit offs, finishes and attention to the finest details. This architectural contemporary family home's gallery-like interiors are characterized by towering ceilings, luxury and high-end finishes. Instantly impressive on 392m<sup>2</sup> of land, an eye-catching exterior with huge front door that paves the way to a double-height entry void where exceptional scale and premium finishes escalate this home to an elite level. Vast living & dining spaces enjoy seamless connection to the outdoors highlighted by a decked alfresco zone complete with a barbeque, making this an entertainer's dream home. Back inside, a state-of-the-art kitchen is defined by a curvaceous stone island, a suite of integrated appliances, pantry and abundant storage space. Ascend the stairs to a large retreat. Accompanying bedrooms with built in robes and luxuriously opulent bathroom with rainfall shower and stone vanity. Accommodation also includes a luxurious master bedroom with imported Italian tiled ensuite, featuring a large skylight and bathtub overlooking a balcony. Plus, ground floor laundry and guest powder room. Comprehensive inclusions comprise electronic blinds, low maintenance landscaped gardens and remote-controlled double garage/storage. There's more than what meets the eye with this home. Built with comfort in mind, it has been installed with the highest grade of insulation, fully commercial double-glazed windows, solid hardwood doors & featuring a smart high technology-controlled home with a push of a button. Located in the heart of Highlander Drive, this beautifully designed home is close to many walking distance amenities including Coles Craigieburn Village, Senol Mall & a rugby oval.
