AUCTION

When you've reached the top, welcome to the Summit. Positioned on the high side of the street on a huge 685m² block prepare to be mesmerised by over 350m² of architecturally designed and privately built FULL BRICK construction. The brief was simple, "Spare No Expense" but give me a space where my family and friends can relax in a comfortable, classy yet contemporary environment. This home has to be seen to be appreciated. 3 metre ceilings, bespoke inclusions throughout, stunning outdoor alfresco, in-ground heated saltwater pool. It truly is a luxury stay every day. Additional features we love:- 4 Large bedrooms, built-ins to all- Huge master suite with walk in robe & detailed joinery & stunning open ensuite- Media/theatre room or possible conversion to 5th bedroom- Massive family/dining area overlooking pool- Gourmet 50mm granite topped gas kitchen, walk in pantry, breakfast bar- Stunning alfresco area features outdoor kitchen, overhead heaters/fans, all weather blinds- Extensive travertine tiling externally, 10m x 3m in-ground heated salt water pool- Level yard for children & pets to play- Double remote garage with additional storage- Ducted air con, CCTV, alarm, shadow line finish The list is too extensive to cover here. Grab your family and pop in for a look at one of our Open Homes. For more details please call Nick 0411320230.
