A Golden Oldie

Located in a quiet one way street off Invermay Road, finds this cute terrace constructed in 1880. Comprising 4 main rooms and bathroom off the rear it is cute and practical.

Sited on a land size of 195m² which allows room for the outdoor courtyard to provide you with some coveted sitting room on those glorious spring days that will soon arrive.

A bonus to this property is the large 3.3x 8.0 shed that sits on the rear boundary and provides the property with a workshop or additional room.

Currently tenanted at \$330 per week on a monthly basis.
