Double Storey home with Cinema Room!

This impressive double-storey home at 22 Bondeson Drive is designed for those who appreciate both space and a more structured layout. With 4 spacious bedrooms, it's ideal for growing families or anyone seeking room to spread out. The 2 bathrooms, conveniently located on each level, add to the home's practicality, making it easy to accommodate busy family life or visiting guests.

The ground floor shines as an entertainment hub, featuring a fully equipped cinema room where you can enjoy the ultimate movie night experience without leaving the house. The living areas are well-defined, catering to those who prefer distinct spaces for lounging, dining, and family activities, rather than the open-plan designs common in modern homes. This separation ensures privacy and allows for more intimate, focused gatherings in each area.

For those with extra vehicles, boats, or caravans, the side access offers a practical solution, giving you flexibility with storage and parking. There's also plenty of potential to further develop the outdoor space to suit your lifestyle, whether you envision a garden, a kids' play area, or an alfresco dining spot.

Set in a quiet, family-friendly neighbourhood, this home combines functionality with comfort. It's not just about living space-it's about lifestyle. The cinema room provides in-home entertainment, the separate living areas ensure privacy and peace, and the practical side access adds a level of convenience rarely found. Whether you're hosting friends, enjoying family movie nights, or simply unwinding in the tranquillity of your own home, 22 Bondeson Drive offers the perfect setting for making lasting memories.
