A rare family combination

Be surprised by this lovely extended and updated family home with the added bonus of a fully self-contained "Granny Flat" to the rear with open plan living, modern kitchen and large separate bathroom and its own access.

The home features large rooms throughout with original floorboards, high ceilings and a floorplan that can be multipurpose to accommodate a growing family. 2/3 bedrooms (main with walk in robe), separate study, formal lounge with fireplace and a separate rear family room which includes dining and updated kitchen featuring S/S appliances and dishwasher.

The beautiful landscaped rear yard offers an oasis for the garden lover or equally the entertainer with an undercover alfresco.

Car accommodation is available front and rear via the wide laneway and roller door or front driveway, ideal for boats, trailers or caravan storage. Only minutes to bus, train, schools and the "Range" shopping centre this home genuinely offers a package for a family or investor with multiple income opportunities.
