Your Dream Place Awaits - Executive Home in the Heart of Bulimba

Auction Location: In Room - 140 Oxford Street, Bulimba

Nestled in the heart of a prestigious neighborhood, this stunning executive residence offers an unparalleled blend of luxury, comfort, and modern convenience. With its expansive living spaces, high-end finishes, technological features, and prime location, this home is truly a dream come true.

Step inside to discover a world of elegance and sophistication. The spacious living room, adorned with a cozy fireplace or cooled by the Metalflex zone-controlled ducted air conditioning in warmer months, is ideal for entertaining guests or simply relaxing with family. The room's stylish bar adds a touch of sophistication, making it the perfect spot for hosting gatherings.

Floor-to-ceiling sliding glass doors seamlessly connect the interior to the outdoors, inviting natural light and cooling afternoon breezes into the space. The gourmet kitchen, featuring European appliances such as Vzug combi-oven and second combination steam oven, Vzug induction and gas cooktops, and a Bosch dishwasher, is a chef's dream. The kitchen's finishing touches, including feature strip and pendant lighting, create a warm and inviting ambiance.

A separate butler's pantry provides ample storage with custom-made soft-close cabinetry and expansive prep space, featuring intelligent design features like built-in powerboards. This space is perfect for meal preparation and entertaining guests without cluttering the main kitchen.

Upstairs, the master suite is a true retreat. With custom cabinetry, a generous walk-in wardrobe, and a sitting room complete with a cozy fireplace, this is the ultimate sanctuary. The expansive ensuite features a freestanding bathtub and a luxurious shower room with multiple rainfall showerheads. The master suite also boasts a private balcony, offering a serene escape for enjoying a morning coffee while basking in the gentle rays of morning sunlight from the east-facing aspect.

Designed with liveability in mind, the intelligent layout separates living and sleeping quarters. The additional four bedrooms, also located upstairs, are well-sized and each serviced with their own private ensuite featuring rainfall showers and floating vanities, built-in robes, and study nooks. These bedrooms provide comfortable and private accommodation ideal for family and guests alike.

For those who value their privacy, the home is equipped with numerous safety and security features, including an alarm system with cameras and motion sensors, an Elvox intercom, and additional keyfob privacy locks for the upstairs master retreat, downstairs study/home office space, and cellar.

The functional and low maintenance entertainment area is an entertainer's dream, coming complete with a built-in speaker system. Thanks to the remote retractable shutter ceiling, you can enjoy outdoor dining and relaxation year-round, regardless of the weather. Perfect for relaxation and rejuvenation, the outdoor area also includes a custom-built timber sauna.

Keep children of all ages engaged with the dedicated home cinema/theater and separate games room, which provide endless entertainment options.

While the home's five-car garage offers ample space for storage for family vehicles or the 'grown-ups' toys, it also includes multiple storage solutions and a dedicated workshop area with two nine-draw Repco tool trolleys. An in-built grocery lift makes weekly grocery shopping and hosting events of any size easier. The space is completed with a temperature-controlled cellar, featuring two Vintec wine fridges, ideal for storing your favorite vintages.

Located just a short walk from Oxford Street, this residence offers easy access to shops, restaurants, and public transport.

Its convenient location also falls within the Bulimba State School catchment and is close to prestigious schools like Balmoral State School and Lourdes Hill. With its prime location, luxurious amenities, and stunning design, this is the perfect home for families who appreciate the finer things in life.
