LOVE AT FIRST SIGHT!

If you are searching for a quality home in a highly sought after location, this 3 bedroom brick home is sure to please. The many features include an expansive formal lounge and dining with gas heating which flows into the kitchen and family room. Kitchen with garden views, dishwasher, gas hotplates and electric wall oven. Convenient access to the paved, outdoor area which provides views of the enormous backyard with beautiful shade trees and low maintenance gardens.

Further extras include a master bedroom complete with an ensuite and walk in robe, spacious family bathroom, 2 extra bedrooms with built in robes, 2 x gas heaters, ducted evaporative cooling and ducted vacuum system, double lock up garage. Ready for a cosmetic renovation, but perfectly comfortable in it's current state, the locally built home is priced to sell. With a block size of just under 1,000m², this is going to popular - call today to arrange your inspection.
