**\$649,000**

Lowset brick 3 bedroom home with a great 3 bay powered shed, park the cars and still have room for a workshop. This great family home has a kitchen with great bench space, overhead cupboards and pantry, gas oven. Spacious lounge/dining area leading out to the covered entertaining area. As well as the 3 bay powered shed there is tank water plumbed into the house keeping water bills to a minimum. Call today to arrange your own private inspection.
