Nowa Nowa - a Great Alternative

Located in the quaint village of Nowa Nowa and set on a roomy 1455m² of land is this charming four-bedroom cottage. Nowa Nowa has lifted its game in recent years and is now very much a place to be. There are walking tracks, fishing spots, bush drives, and a real sense of community these days that makes life just that bit more enjoyable.

With Orbost just up the road to the east and Lakes Entrance down the road to the west plus an easy drive to Bairnsdale, it really is an ideal place to call home. Not a large home but it does have four bedrooms which gives scope especially if you're using the property for holidays. Great shedding & outdoor space for vehicles, boats, caravans, or play.

The spacious, fully fenced & level allotment makes for an amazing yard for the whole family. Put this little charmer on your list you won't be sorry.
