\$1,300,000

Nestled on a generous 2.5-acre (1.02 ha) canvas in the scenic Macedon Ranges, this double-story residence unveils a harmonious blend of space, style, and tranquillity. A testament to functional design and comfort, this 4-bedroom, 2-bathroom + powder room home welcomes you into a world of elevated living. Key Features:

- Step inside to discover a wealth of living areas, multiple living zones and a dedicated family retreat ensuring everyone finds their perfect spot to unwind.
- The heart of the home offers an open-plan functional kitchen and meals area, a space that effortlessly balances functionality with style.
- Complemented by a cosy & stylish formal lounge providing an ideal setting for more intimate gatherings.
- The master bedroom boasts a Walk-In Robe and ensuite, promising privacy and comfort.
- Embrace the allure of large windows that invite the outdoors in, allowing natural light to flood the interiors, creating a warm and inviting atmosphere.
- Embrace the charm of a wood fire coonara, gas central heating, split system cooling, multiple ceiling fans, and double insulated ceiling, providing comfort in all seasons.
- A practical touch is added with a machinery shed featuring a concrete floor and power supply, catering to various needs and hobbies.
- An ever-changing canvas of incredible views to the Macedon Ranges.

Situated within close proximity to both Gisborne and New Gisborne town centres, the property offers convenient access to amenities, schools, childcare, and public transport. For those commuting to Melbourne or Bendigo, easy freeway access ensures a seamless journey. Contact our invested team today!
