PERFECT BASE WHILST YOU RENOVATE

This original home has been recently freshened throughout.

The existing 1950's home takes you back to a simpler time with its sun filled living and dining room leading through to an original kitchen/breakfasting room overlooking the maintained garden. This home also comprises two bedrooms, main with robes, an office/study area , two split systems, and a retro bathroom.

With its family charm, light-filled spaces and pretty gardens this home is ideal whilst you are in between homes or renovate your own

Situated in a wonderfully family-friendly neighbourhood, the property is just metres away from all the wonderful amenities Brighton and Brighton East have to offer. Near all essential amenities - train station, shops, cafes and a broad choice of schools. Please note the garage is excluded from the tenancy
