\$650,000 - \$715,000

Vibrant and dynamic across a family-friendly single-level design, this 3-bedroom courtside home features dual living zones and fantastic entertaining options for a unique and lively living experience that the whole family will love. Its family-focused design unfolds into a spacious formal lounge before opening to a far-reaching family and dining zone, where natural light bathes an immense living space beside a stylish kitchen and dining area with all the space and functionality you crave. Take the party outside to the covered entertaining deck, which is perfect for the upcoming housewarming party beside an excellent yard for the kids. The three bedrooms are beautifully zoned, headlined by a master with a walk-in robe and full ensuite, while a central bathroom, separate toilet and laundry closely service the remainder. Beautifully finished with evaporative cooling and ducted heating, solar power and a water tank, it sits moments from Carrum Downs Shopping Centre and Plaza, Skye Primary, Carrum Downs Secondary, buses and freeway access.
