3 bedroom home located in a central location, adjacent to the Kerang basketball stadium, Kerang football and cricket complex. The property is along located one block from Woolworths and the Kerang outdoor pool. The home has been restumped approximately 12 years ago, has a split system a/c unit, good size living area and a good SH. Also a carport and solar system. This property would make an ideal investment or first home. With good bones it would be good investment property to buy and renovate, especially being in such an excellent position.
