Charmingly Renovated Milton Cottage

Private and tranquil, you enter through the leafy archway and garden path leading to a peaceful front porch overlooking the gardens, just the place to enjoy a cuppa and relax with a book.

Inside the elegant and comfortable light-filled home has been lovingly renovated and styled. The bespoke kitchen will inspire the culinary minded and is ideal for entertaining friends and family with dining and lounge close by and bifold windows opening to the north facing rear deck, or enjoy an al fresco meal around the fire pit with its leafy surrounds.

The bedrooms offer built in robes and the luxurious bathroom is beautifully appointed with elegant fixtures, copper tap ware and a deep freestanding bath you will want to sink into. The third bedroom is currently used as a home office/guest bedroom overlooking the private, leafy backyard.

Securely fenced with side access to the back yard, hot and cold outdoor shower, vegetable garden beds and a garden shed, the home is ready for you to move in and call your own.

Prime location within easy walking distance to schools, shops and some of the best cafes and restaurants Milton has to offer. Browse the boutique shops and art scene or hop in the car for a surf at your choice of pristine beaches less than 7 minutes drive away.
