Double Brick Home In South Blacktown Location

Designed and built with highest quality this home provides you with the best that Blacktown has to offer. There's been no expense spared to build this double brick 5 bed, 2 storey home that simply says style and sophistication the moment you step in the front door.

There's so much to this one;

- The foyer opens to wide open spaces that make light and space a part of your day. Also on the ground floor is a seamless family dining, lounge and kitchen area that flows through the wide French doors to a north facing massive entertainment area and huge backyard.
- Large 581sqm block with side access ideal for Granny flat or swimming pool (Subject to council approval)
- Your chef at home will love the stainless steel appliances, five-burner gas cooking, stone island bench with breakfast bar, loads of bench space and a built in microwave and dishwasher.
- Add a media room/ 5th bedroom + full bathroom downstairs, perfect for in-law accomodation or most avid entertainer.
- Let's finish off the downstairs with an oversized internal laundry with space to delight.
- Upstairs are 4 oversized bedrooms with built in wardrobes, timber flooring throughout and rumpus room with balcony.
- The master is an oasis of serenity with a huge walk-in robe, massive en-suite and mountain views.
- This level is rounded off with a generous family bathroom with large sink and bathtub.

Things we love about this home:

- Short walk to the best schools in Blacktown
- 5 min drive to M4 M7 motorways
- Freshly painted throughout
- Ducted Air Conditioning
- PVS double glazed windows
- Remote controlled garage
- Back to base alarm system with CCTV cameras
