The Brief: Woodlands' Best Kept Secret!

One of Woodlands' most exquisite homes in one of its most secretive cul-de-sacs. Tucking its endearing facade beyond beautiful hedge-lined gardens, this gorgeous 3-bedroom + study home showcases an unparalleled combination of style, comfort, and low-maintenance living, providing a life where sheer convenience meets the utmost tranquillity.

A unique design reveals a fireside formal lounge with in-built surround sound, opening into a divine dining hall with a minibar, a family room under cathedral ceilings, and a stunning stone kitchen with incredible natural light, complete with a Glem gas cooker, a dishwasher and a buffet island ready for entertaining family and friends.

Sliding doors to the front and rear promote alfresco ease, with its two contrasting and inviting outdoor spaces - one a terrace amongst enchanting established greenery, and the other a vast entertaining deck ready for the most extended guest lists. The two-way ensuite with its twin vanities and rainfall shower is a delight by the main bedroom and a separate office, with two additional bedrooms zoned around a family bathroom at the rear.

Finishing features include solar power, a Colorbond roof, ducted heating & refrigerated cooling, ceiling fans, a security system, ducted vacuum, a fitted laundry, and a double garage with through access.
