Suit Buyers Above \$599,000

Have you been looking for that large block for your new home? Well, here it is - level 1080m² with close to 40m wide street frontage. More than enough room for your dream home and space for a pool, shed or simply space for the kids to run. Yes, it has a home on it now - so whether you're inclined to embark on a renovation journey to breathe new life into this residence or envision starting afresh with a brand-new build, this property offers an abundance of possibilities. Situated within an easy walk to local schools, sports fields, parklands, shops and bus services. If you're someone who values the freedom to shape your living space to your liking and desires a location that offers the utmost convenience, this opportunity is one you won't want to miss.
