The Florence design is as pretty as it sounds while embracing contemporary design and making the most of modern living. 3 minor bedrooms are located at the front of the home, all with built-in robes and surrounding a central bathroom. The C-shaped kitchen sits in the centre of the home and overlooks the living/dining and alfresco areas. The master suite is nearby, so you can roll out of bed and be within steps of the coffee machine (espresso for us please!) Find the home theatre at the back of the home, so perfect for movie nights in. The Florence provides ample space for separate groups of socialising to be happening at once, and is cleverly designed for multi-gen living.*Easystart Homes, a part of Summit Homes Group, is a family-owned builder in WA for 45+ years. 2-time WA Project Builder of the Year (2021 and 2022) by Master Builder Housing Excellence Awards and 3-time WA Professional Major Builder by the Housing Industry Association (2022, 2021 and 2020).
